

WE COVER ALL KIDS

**CHIP NOW COVERS ALL
UNINSURED KIDS AND TEENS.**

Give and you shall receive. It's funny how life is full of irony. What's not funny is when irony gives you more questions than answers. And chances are, if your children are without health care coverage, you've got a lot of questions. We're Pennsylvania's Children's Health Insurance Program (CHIP) and we've recently expanded coverage to include all uninsured kids and teens under the age of 19.
