

A collection of five decorative stars in the top-left quadrant. Each star is light blue with a white glow and a smaller, multi-pointed star in the center. The central stars are yellow and blue.

## Happy Mother's Day

I'll always love my mama,

Her smile is like a song.

I'll always love my mama,

For knowing right from wrong.

I'll always love my mama,

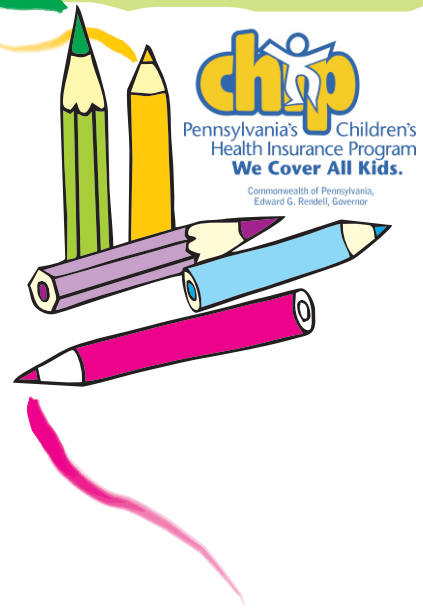

As I grow strong and free.

I'll always love my mama,

Because my mom loves me.

Happy Mother's Day

A collection of five decorative stars in the bottom-right quadrant, identical in style to the ones in the top-left. Each star is light blue with a white glow and a smaller, multi-pointed star in the center. The central stars are yellow and blue.
